

2 October 1952

MEMORANDUM FOR: Deputy Director of Training

SUBJECT : Progress report for the week, September 26 - 2 October, inclusive.

✓ 1. During the past week, this Division has received and made recommendations for approval of  requests for training. All of these requests were for part-time training, mostly involving only a single course, in the Washington area. Institutions involved are the American University, Catholic University, and the Graduate School of Agriculture.
